

work life  
balance

The leading women's economic development agency specialising in work-life flexibility.

Are you aware of, and complying with, current (and imminent) flexible working legislation?

Find out by contacting us. We can offer:

- consultancy service – work–life flexibility
- training programmes based on business needs
- operational support networks

Benefits include:

- recruit the best people
- retain valued staff
- reduce number of working hours lost
- improve morale
- improve quality of your services
- become an employer of choice
